### 26-nd International Contemporary Theater Festival -Skampa

Oct.07 – 11, 2024

Brief information about 'Skampa

The 26th edition of the Skampa Festival will take place in Elbasan and Tirana from October, 07 - 11. 2024.

This edition aims to promote emotionally stimulating alternatives, to rediscover the interactive dialogue of theater with people, where people touch their lives, to come out from the technological capsule, which has reduced direct emotions. Beyond the stage, open public spaces have their generosity to offer different alternatives, to reach the people, the public.

Festival Skampa has today its place in the artistic theater landscape of the country and not only, but also of the wider region in harmony with the new contemporary Albanian and international theatrical realities, in the discovery and transmission of common, universal truths. It includes a selection of Albanian and foreign shows.

It is a journey of discovery, an adventure for new artistic concepts to present trends in Albania - international stage practices to create a space for intercultural dialogue. The program includes workshops, seminars and discussions. The atmosphere of the festival is intensified by various parallel events such as seminars, presentations, concerts, exhibitions, meetings, discussions, etc.

Applications can be submitted until July 31, 2024 and the final selection will be presented at the beginning of September 2024.
