26-nd International Contemporary Theater Festival -Skampa

The 26th edition of the Festival Skampa will take place in Elbasan, from October 7 to 11, 2024.

The Festival Skampa continues to be a lively celebration of theater and cultural exchange. It is a journey of exploration through the variety of styles and aesthetic research from the Albanian and international scene and practice.

This 26th edition aims to promote emotional alternatives in the theater, reviving the interactive dialogue between the theater and the public. The festival seeks to break free from the confines of technological isolation, which has diminished direct emotional connections. Embracing open public spaces, the festival aims at different alternatives to engage with the public, crossing borders to become an important presence in the Albanian and regional artistic theater scene.

The atmosphere of the festival is further enriched by a host of parallel events, including seminars, presentations, concerts, exhibitions and discussions.

During the 25 years at the festival Skampa, they have performed about 300 shows from almost 50 countries of the world, with the participation of many artists, prominent specialists from Albania, the Netherlands, Italy, Bosnia-Herzegovina, Greece, Spain, Turkey, China, Argentina, Russia, Romania, Bulgaria, Moldova, Germany, Kazakhstan, Lithuania, France, Kosovo, North Macedonia, Poland, USA, Montenegro, England, Serbia, Hungary, Lebanon, Azerbaijan, Belgium and etc.

The festival covers full accommodation (hotel and food) during the days of stay in Elbasan and internal transport from the airport to the festival and vice versa.
